Wangechi Mwai

Business Scope :

Over the years we have diversified to others range of Products in **Laboratory construction Material Testing Lab Equipment, Safety Equipment Supplies and safety wears, Hardware supplies, information technology products, Construction Power tools and their accessories.**

Dealership: We have dealership with several brands for our range of products

INTRODUCTION

Geoscope Instruments Kenya Ltd was established in 2017 and registered in the republic of Kenya Under Kenya's Companies Act (Cap 486).

Over the past years we have had a dedicated team of professionals and we have gained a large market share based on our integrity and transparency in doing business while dealing with customers drawn from all industries.

We operate largely in Kenya and in East Africa African Market and we are among the leading specialized distributors of Land Surveying, Engineering Surveying , Mapping Instruments and Photogrammetry Instruments.

Over the years we have diversified to others range of Products in **Laboratory construction**

Material Testing Lab Equipment, Safety Equipment Supplies and safety wears, Hardware supplies, information technology products, Construction Power tools and their accessories.

At Geoscope Instruments Kenya Limited, we are dedicated to delivering high-quality products and services that cater to meet the diverse needs of our clients.

Our major products are:

• **Land Survey Equipments & Services:** We provide state-of-the-art Land surveying equipment and expert services to ensure precise and reliable land measurements. We also provide hiring, leasing, calibration, support, maintenance and training services for all surveying instruments & equipments.

Other range of products are;

Hardware Supplies: Our extensive range of hardware products meets the demands of various construction and industrial applications.

Construction Hand Tools: We offer a broad selection of durable and efficient hand tools designed to enhance productivity and safety on site.

Laboratory Construction Material Testing Equipment: Our advanced testing equipment supports rigorous quality control and safety standards for materials.

Power Tools: We supply high-performance power tools that facilitate efficient and effective work in various construction and maintenance tasks.

Safety Equipment: Our safety equipment range ensures the protection and well-being of personnel in hazardous work environments

We have dealerships with leading International and Local Brands and we offer high quality products as per the highest industries standards.

Our Objective

To offer best and highest quality products and services to achieve customers satisfaction

Mission Statement

To provide our products and services with utmost professionalism.

Vision Statement

To be the leading and most reputable company in the supply of Land Surveying equipment, Engineering Surveying equipment and Construction Material Testing Lab equipment

Our Achievements

Our Integrity and Transparency in business has made our company to be a reputable supplier of our products and services in Kenya and the East African market

Core Values

- Integrity
- Transparency
- Team work
- Accountability
- Diversity
- Honesty

7. PRODUCTS

Category 1: LAND AND ENGINEERING SURVEYING INSTRUMENT

Geoscope instruments Kenya ltd is authorized distributors of the following international brands of surveying instruments

1. **Tersus GNSS inc**
2. **South Surveying & Mapping Instruments Co. Ltd**
3. **Robert Bosch East Africal Ltd**
4. **Hi-Target Surveying Instruments Co. Ltd**
5. **E-fix Geomatics**

We also distribute these brands **Garmin, Leica, Topcon, Sokkia, Stonex, Baofeng, Stanley, Silverline** among others

Sub- Category for surveying instruments

- Photogrammetry /Drones
- Total Stations - Manual or Robotic – with Onboard Android software or Windows CE
- GPS (Global Positioning System)
- Levelling Levels; Automatic/dumpy, Cross line, Line Levels, Rotating Laser levels and Digital Levels
- Ground penetrating radar systems
- GIS handheld data collectors
- GARMIN GPS Handheld navigators
- TVET and Universities Technical training and Examination materials.
- Optical and Electronic Theodolites
- Measuring Wheels
- Tripods (Wooden, aluminum or Fibre glass), Bipods for Prism Poles, Prism Poles (2.5,3.6 or 5.2Meters)& GPS Carbon Poles
- Electronic distance measurers and Tapes (Made either of Linen, Fibre glass, or Steel)
- Total station Prisms (Basic Prism, mini prisms, 360 Degree Prism and Flat prism)
- Optical Square
- Surveying field books
- Instruments replacement batteries, chargers, power cables, spare bubbles,

Robotic /Manual Total Stations

Bosch measuring wheel

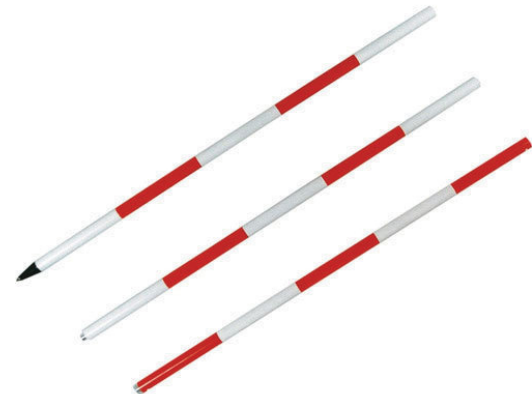

GNSS survey equipment

Surveying Accessories

Automatic/Dumpy /Digital Levels

Ranging Rods

Category 2: CONSTRUCTION MATERIAL TESTING INSTRUMENT AND ACCESSORIES:

1. Asphalt testing
2. Concrete Testing
3. Soil testing
4. Compression testing
5. Weighing scale
6. Aggregates
7. General Lab supplies
8. Sieving and Screening
9. Sampling and Dividing
10. Oven and Furnaces

10.

Category 3. BOSCH POWER TOOLS

We are licensed dealers for Robert Bosch Power Tools GmbH & DREMEL Tools for both Bosch Professional, Bosch Power Tools and Accessories; Sub-categories include

3.1 Bosch Professional:

- Distance measurement
- Digital Inclinometers and angle measurer
- Line lasers
- Rotation laser
- Optical level/ Dumpy level
- Detector, Inspection camera, Thermo detector and Thermo camera
- Bosch Professional Accessories: Laser receivers, Building tripods, Mount

3.2 Bosch Power Tools and Accessories

1. Drilling & Demolition:

- Drywall Screwdriver
- Rotary Drill
- Impact Drill
- Rotary Hammer
- Demolition Hammer
- Core Cutter
- Impact Wrench

2. Cutting & Grinding

- Grinders: Small angle, Concrete, straight and Large Angle grinders
- Diamond/stone cutter and aerated concrete cutter
- Impact drills
- Demolition hammers
- Core Cutter and stand
- Impact wrench

- BT-Chop – Multicutsaw
- Dry wall sander
- Polisher
- Bench grinder

3. Woodworking

- Saws: Jig saw, circular saw, recip/sabre saw
- Oscillating multicutter
- Orbital sander/Random orbital Sander/belt sander
- Planer
- Heat Gun
- Blower

4. Vacuum Cleaners, Bench Top saws and Higher Pressure Washers

- Vacuum cleaners
- Mitre saw, table & Mitre saw plus stands for saws
- High Pressure washer

5. Bosch Power tools accessories:

- Bits: Metal, cylindrical, Hex, diamond dry and wood drill bits
- Annular cutters
- Bosch Chisels
- Hole saws
- Screw driver bits
- Diamond application discs for concrete, Asphalt and ceramic
- Flexible and Bonded abrasives
- Hook & Loop sanding sheets
- Jig saw blades
- Multicutter accessory
- Circular saw blades
- Router bits

OTHER BRANDS

- MAKITA,
- DEWALT
- KINEX
- STANLEY
- TOTAL
- MATEST
- HONDA
- FIXTEC
- BLACKDECKER
- INCO
- HILTI
- ALFA

Category 4. HARDWARE, PLUMBING, ELECTRICAL, GARDENING, WOODWORK AND FARMING TOOLS SUPPLIES

Sub – Categories

- Pipes & Tanks
- Nails
- Ceiling Supplies Roofing Products
- Construction Ladders
- Drainage materials
- Farm tools, Gardening tools & Ranch supplies
- Fencing Products Prefinished Fencing
- Gypsum materials & accessories
- Insulation & accessories
- Laminates & Veneers
- Masonry Products & Tools
- Steel & aluminum products, wire products, metal Framing & accessories
- Paint, paint supplies and accessories
- Water collection supplies & Accessories
- Shelving
- Cement and construction chemicals
- Electrical Fittings
- Building Jack Posts & Columns
- Doors
- Fasteners and fittings
- Drywall Hardware & Tools
- Floor, Wall & Ceiling Covering
- Gutters, Downspouts & Flashing
- Plumbing supplies
- Molding & Shims
- Wooden Boards
- Waterproofing materials
- Window Covers

14.

Category 5. MECHANICAL, HAND AND AIR TOOLS

1. Bench Tools

- Car jacks
- Bench vice
- Bench grinders
- Drilling machine
- Mitre saws

2. Hand Tools

- Hand Tools Sets; tool boxes
- Bottle jack
- Holding tools
- Mechanic tools
- Fastening tools
- Striking tools
- Painting and masonry tools
- Measuring tools
- Electrical Tools
- Cutting tools
- Trimming tools
- Plumbing tools

3. Air tools

- Air compressors
- Spray guns
- Impact wrench
- Air compressor air hose

15.

Category 6. INFORMATION TECHNOLOGY (IT) PRODUCTS

- Softwares
- Computers
- Magicard - ID Card Printers
- Digital Projectors
- Library Security System
- Line Printers
- Door Access Controls
- CCTV Surveillance Systems
- QMS - Queue Systems
- IP Phones, Communications Platform & Communication
- Products and Services
- IT Support Services
- Networking
- Walkie talkie

Category 7. SAFETY:

Gloves

**FPLG01
COW SPILT LEATHER
GLOVES- 10.5"**

Specifications
Material: Cotton
Disposable: Non-disposable
Function: Anti-scratch,anti-static,
Heat Insulation

**FPLCG01
NITRILE GLOVES - 10"**

Specifications
Material: 100% Polyester
Outer Material: Nitrile
Disposable: Non-disposable
Function: Anti-scratch,anti-static,
Heat Insulation

Specifications
Cut resistant HPPE
(high performance
polyethylene)
safety gloves with
polyurethane coating

**FPCG0620
COTTON KNITTED
GLOVES - 10"**

Specifications
Material: Cotton
Disposable: Non-disposable
Function: Anti-scratch,anti-static

**FPNG01
NITRILE GLOVE - 10"**

Specifications
Material: Polyester
Outer Material: Nitrile
Disposable: Non-disposable
Function: Anti-scratch,anti-static,
Heat Insulation

ANSELL (MARIGOLD)
100% Natural Rubber
Electrical Insulating
Gloves

Googles , Ear Plugs

**FPSG04
SAFETY GOOGLES -
CLEAR (NYLON FRAME)**

Specifications
Lens: Transparent
use: General use
with CE approval Frame
Made from impact resistant polycarbonate
adjustable leg of frame for comfortable use and fit

**FPSG01
SAFETY GOOGLES - CLEAR WITH STRAP**

Specifications
Lens Colour: Transparent
Use: General use
Lens material: PVC

**FPSG02
SAFETY DARK GOOGLES**

Specifications
Lens Colour: Coloured
Use: General use
Frame & Lens: PCLight weight
with CE approval Frame
Comfortable To Wear, Wide Visual Field, Impact Resistant

**FWG01
AUTO DARKENING WELDING GLASSES**

Specifications
Lens Colour: Coloured
Use: General use
Frame & Lens: PCLight weight

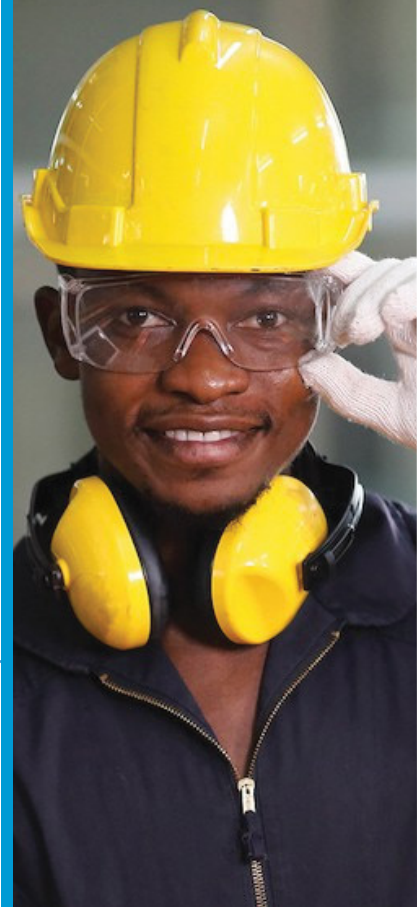

FPEMO1 - EAR MUFF

Specifications
Head Hoop : POM
Shell : ABS
SNR: 22db NNR: 20db
Self Aligning Suspension, easily adju
muffs on headband for quick fitting
Soft Foam-filled cushion provides good
seal for protection against harmful Noise

PORTWEST PS48 - SLIM EAR MUFF

Foldable low level attenuation ear
defenders, suitable for low level
noise workplaces. The ultra slim
 earmuffs ensure a soft and light-
weight fit which envelopes the ears
keeping them safe and protected.

Safety Foot Wear

ACE AMOUR
 Color - Black
 Upper - Water Resistant Leather 1.8MM
 Lining - Breathable Polyester Rice Mesh
 OutSole - Dual Density P.U.
 Toe Cap - Steel toe cap for 200J Impact
 Features - Steel toe cap, Shock Absorber, Antistatic, Oil Resistant sole, Water resistant upper

ACE CHUI
 Color - Black, Orange
 Upper - Water Resistant Leather 1.8MM
 Lining - Breathable Polyester Rice Mesh
 OutSole - Dual Density P.U.
 Toe Cap - Steel toe cap for 200J Impact
 Features - Steel toe cap, Shock Absorber, Antistatic, Oil Resistant sole, Water resistant upper
 ISO Number - 20345:2011 S2 SRC

ACE MAMBA
 It is a professional high ankle safety footwear which offers an attractive style, great comfort and best protection.
 Additional Information
 SOLE TYPE - Polyurethane
 FEATURES - Acid resistant, Breathable inner lining, Comfort padding, Genuine leather, Oil resistant, Shock Absorber, Slip Resistant, Steel Plate, Steel Toe, Water Resistant
